CLINIC

*** 4 SATURDAYS ***

FEBRUARY 11 – FEBRUARY 18 – FEBRUARY 25 – MARCH 3

PURPOSE

The Jr. Viking Volleyball Club will again offer a four week instructional clinic to girls in grades 2–6.

The program will focus on beginning skill development including passing, setting, serving, and hitting techniques.

A special emphasis will be placed on teaching appropriate footwork and form, so vital to skill-learning at this age. The pass-set-hit progression, rotations, court coverage, and game strategies will be taught.

The program is designed to introduce volleyball to those girls new to the sport and further develop the skills of girls who have already discovered the fun of volleyball.

We look forward to working and having fun with your daughters.

STAFF

Our own Junior Viking Volleyball Club coaches, current and past WLHS coaches and trained volunteer student staff.
