**Prayer List in Bulletin**—In the near future we will begin to include a prayer list in these announcements. The goal will be to allow us as brothers and sisters in Christ to pray for one another, as God invites us to do. Because we are a large congregation, we are going to begin with the following parameters for what is included on this list.

- We will include prayers for members and immediate family of members.
- Generally, the requests should be for an illness, death in the family, or serious problem. (For example, we will not include prayers for Pastor Kneser to get better at golf!)
- We will only include prayer requests that have been specifically requested by emailing the church office. In order to protect privacy, the pastors will not include anyone on this list just because you spoke with them about a problem or situation.
- Requests that are included on the prayer list will not automatically be included in the weekend worship service prayers. Please request prayers to be included in worship by contacting one of the pastors.
- Requests for this list need to be into the Church office by Thursday morning.
