WELS Campus Ministry Supports Students—This ministry exists to serve college students during their years on campus, often away from home. Students can sign up on the [WELS campus ministry database](#). You can also place the information into the database through your personal and/or congregational WELS Cloud account. Simply sign in to [My WELS Cloud](#), and under "Church" you can add their names and information under "Campus Ministry Management." The earlier we have this information, the sooner our campus ministry contact pastors will be able to reach out to the students. If you have questions, please contact us at cm@wels.net.
