## HIS Voice in Vietnam

The Vietnamese government has invited WELS to build a theological training facility in its capital city of Hanoi, an unprecedented opportunity for our synod. WELS is currently the only Protestant church with official government permission to work with the more than two million Hmong living in Vietnam and surrounding countries. Hmong Christians in Vietnam are grateful for the message of free grace from Jesus that WELS has been sharing with them since 2012.

One Hmong pastor in Vietnam, Wasa Lau, says, “Many members would come and ask me to share the Word of God with them, but I didn’t know how to do it. Since receiving training [from WELS], I have grown in my confidence in what I believe and in sharing God’s Word. . . . The Hmong Fellowship Church currently has more than 300 congregations, but we still lack many things—especially training for all of the leaders of these congregations. That is what we are looking for now—for generation after generation to grow in the proper understanding of Scripture. That is what WELS can do for us.”

To learn more about Wasa Lau and his journey of faith, read the full article from the December 2018 issue of *Forward in Christ* at [wels.net/pastor-lau](http://wels.net/pastor-lau). Dear Parents,

Our students in grade 3-8<sup>th</sup> grade have an opportunity to sing for the residents of Library Square Retirement Home on Thursday, February 21<sup>st</sup> from 1-2:30pm. The purpose of this field trip is to share our love of Jesus with the retirement home residents as part of our Good Shepherd's Lutheran School Week activities.

*Because we are singing at Library Square the students should use good judgment when choosing their dress up day outfit of favorite character from a book day.* We will be taking cars to and from the retirement home. Please indicate below if you can drive and how many students you are able to take.

Please sign this permission slip and return it to school ASAP.
