

## Good Shepherd's Lutheran Sunday School/Jr. Youth Group Registration Form (Please complete a separate form for each child)

The Bible tells us "train up a child in the way he should go and when he is old, he will not depart from it." (Proverbs 22:6)

In partnership with Good Shepherd's Lutheran School, our Sunday school (K4-grade 4) gives children the opportunity to hear and learn God's Word through stories, songs, activities, crafts and fellowship. Jr. Youth Group (grades 5-8) also has age-appropriate lessons that are taught with time for questions and in-depth discussion. Youth group teens (grades 9-12) have special fellowship opportunities, usually on Sunday evenings, and are encouraged to join the adult Bible study in the church fellowship hall. Childcare will be available in the school building during the Sunday school/Bible class hour for babies and young children.

Classes meet on Sunday mornings from 9:15-10:15 AM during the school year (September-May). This schedule allows parents to also "grow in grace and knowledge..." through Bible Class attendance at church. Children of all levels of instruction will benefit from Sunday school, whether they are new to Bible stories or have heard them many times. We look forward to having your child learn and grow with us this year!

**Please register your child for this year's Sunday School/Jr. Youth Group/Childcare for planning purposes.** If you have questions, please contact Pastor Wempner or Ginny Mundstock, Sunday School Administrator.
